If you get any side effects, talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed in the package leaflet. Please report suspected side effects to the MHRA through the Yellow Card scheme, via the Yellow Card website [www.mhra.gov.uk/yellowcard](https://www.mhra.gov.uk/yellowcard), or the free Yellow Card app available in the Apple App Store or Google Play Store. You should also report side effects to Roche Products Ltd. by emailing the Roche Drug Safety Centre at [welwyn.uk\\_dsc@roche.com](mailto:welwyn.uk_dsc@roche.com) or calling +44 (0) 1707 367554. By reporting side effects, you can help provide more information on the safety of this medicine.

*Jack has  
haemophilia A.*

*His medicine  
is Hemlibra.*

*Hemlibra is used for treating severe (FVIII <1%) haemophilia A, moderate (FVIII ≥1% and ≤5%) haemophilia A with a severe bleeding phenotype, and people with haemophilia A who have developed inhibitors to factor VIII*

WHAT COLOUR LID DOES YOUR  
HEMLIBRA HAVE?

*Jack and  
his parents wash  
their hands*

*and they get  
everything ready.*

CAN YOU NAME ALL THE  
THINGS WE NEED?

*Jack's dad wipes  
his skin clean*

*then he holds his  
skin and gives  
Jack his Hemlibra.*

*Injection sites include: the thighs, the stomach  
(except for 5cm around the belly button) and the back of the upper arm  
(only if the injection is administered by a caregiver)  
Please refer to the UK patient information leaflet for full details*

*Jack holds a  
cotton pad on his  
skin to stop any  
bleeding.*

*They put  
everything  
away safely*

*and record it  
in Haemtrack.*

*Now it's time  
to play!*
